**The professional maker of  
the high security lock products**

## About the Company

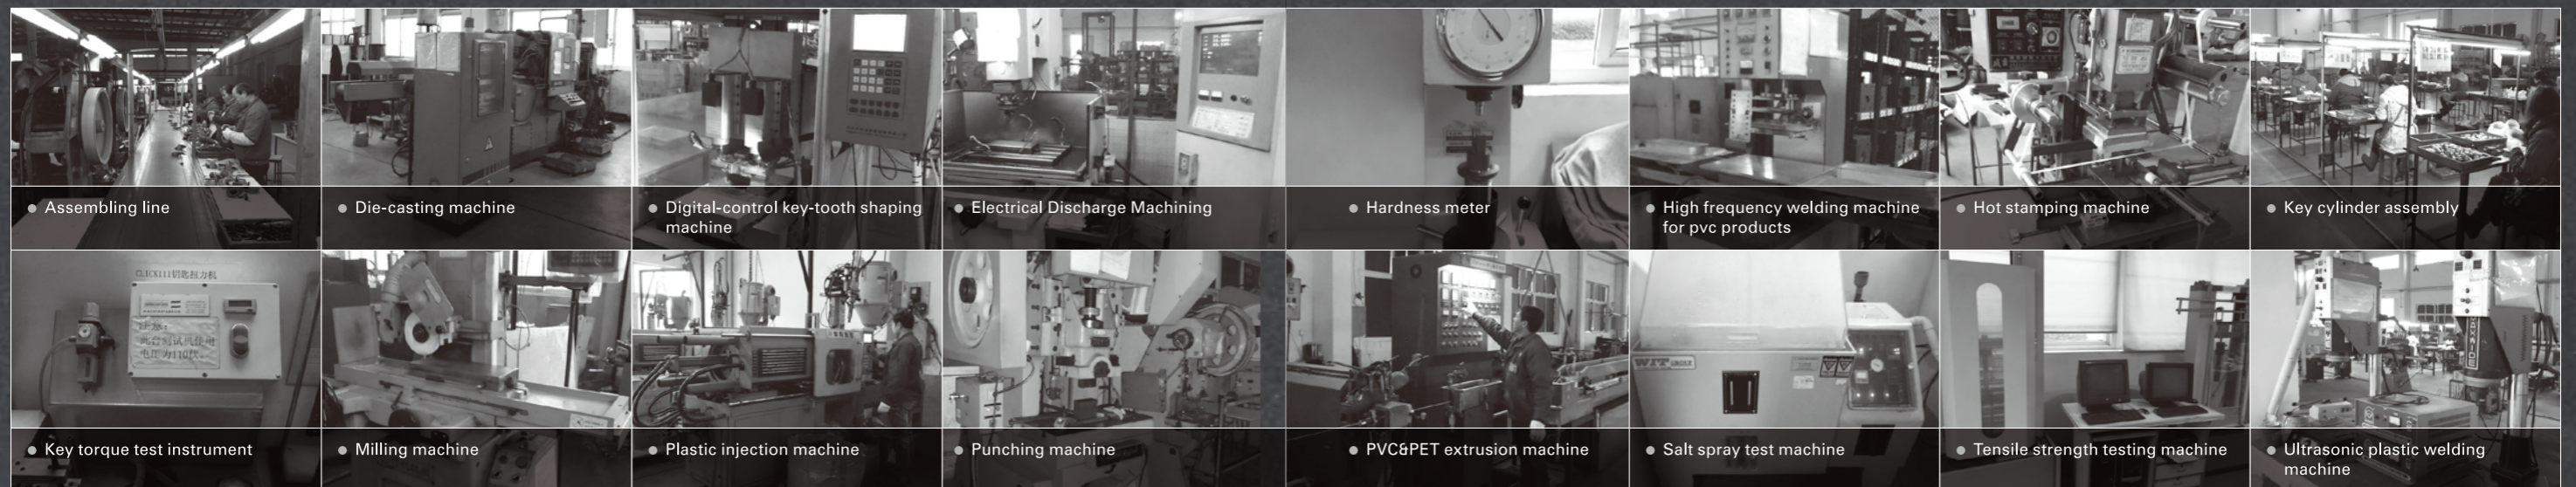

Established in 1990, Handyway Company is built solidly on a foundation of successful lock and cable manufacturing operation. Handyway manufacturing is among the leading high performance brands in bicycle accessories and vehicle towing locks. The products are sold in more than 25 countries world wide.

### Highlights

Handyway Company is committed and continues the emphasis on product innovation and stronger security system. The company is one of the industry's premier manufactures, and with the best expertise in this field.

### Adding Value to Tomorrow

Handyway Company is determined to deliver outstanding results and performance in product innovation designed to enhance security, appearance, durability and superior quality. These strategies are necessary to lead Handyway forward to years of growth and prosperity.
