THE PROFESSIONAL MAKER OF THE HIGH SECURITY LOCK PRODUCTS

**BELIEVE IN HANDYWAY.
BELIEVE IN THE FUTURE.**

ABOUT HANDYWAY CO., LTD.

Established in 1990, HANDYWAY Company is committed to provide high quality locks manufacturing operation. According to the professional security system, appearance, durability and superior quality of our products, they are sold in more than 25 countries.

BEYOND THE LOCK, BEYOND THE FUTURE

Our core strategy is to determine innovation and stronger security system at ODM/OEM. We believe in supporting our customers to gain rich harvest, to a win-win result, now and in the future days.

ABOUT COMPANY

MACHINE INTRODUCTION

Zinc casting machine

CNC lathe

Circle cutting

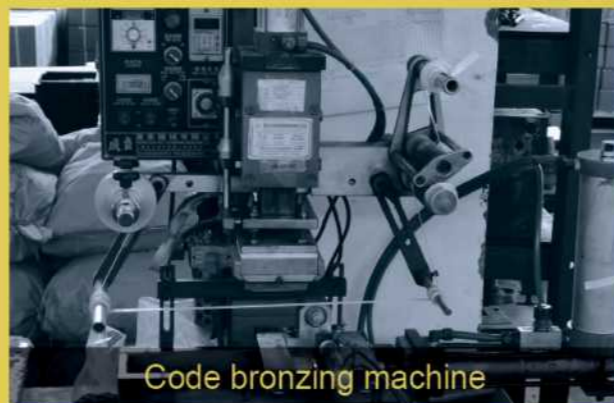

Automatic injection machine

The key opens the tooth thunder to carve to hit the number and the key ring integration machine

All in one machine of key teeth opening ring and key ring

Code bronzing machine

Key milling machine

Laser engraving machine

CNC rounding machine
